

Northwest Community EMS System
Monthly Minutes for CARS Committee
February 13, 2019

Meeting called to order at 0904

- I. New Members/Guests:** J. Dyer
 - II. Minutes from January, 2019 approved at 0909**
 - III. Open Issues**
 - A. Social Media/CARS Extension:** No Report
 - B. Smartphone App for CARS**
 - 1. App available for Android now per email from Klein. Apple requires \$99 annual subscription for App Store, hence no app available there yet.
 - 2. Available on the Play Store by searching NWCH SOPs
 - 3. A couple of bugs were fixed, colors of tiles were updated to match the colors of the SOP book
 - 4. Connie offered to fund the Apple App Store subscription through the system if we cannot get an exemption, and Denna will be looking into what getting it on the Apple App Store entails. Might be possible to waive this fee because it will be for a hospital system and not offer in-app purchases.
 - C. American Eagle Update - No Report**
 - D. Printing Update**
 - 1. To reiterate, and maybe pass this along to respective departments, DO NOT press the Print button when printing PCRs, instead press the PDF button.
 - E. Provider Impression and Symptoms Lists - No Report**
 - IV. New Business**
 - A. Narcan questions visibility rule written:** Klein and Patrick fixed this issue.
 - B. BEFAST Power Tool creation**
 - 1. Power Tool choices discussed and options whittled down to the choices that Dr. Jordan/Connie/Jen wanted.
 - 2. There will be more on this in coming weeks/months
 - C. Stroke visibility rule created/validation being worked out**
 - 1. Callback person related to the patient, their relationship, and their callback phone number have been cleaned up
 - 2. Discussion of making a “one-stop shop” power tool for all stroke-related documentation.
 - D. Destination Alert type**
 - E. Charter and Elections 2019**
 - 1. Jim Klein elected as Chairman, 2 year term (2020)
 - 2. Ryan Lawler elected as Secretary for 2019 (yearly)
