

Northwest Community EMS System
DRAFT Monthly Minutes for C.A.R.S. Committee
September 13, 2017

- Meeting called to order at 09:01 A.M.
- Minutes from July and Aug were approved by Rill and Denna
- Printing Issues
 - o There has been a problem printing; it seems if you choose the Print button sometimes it will print blanks all over the report even though it looks fine on the screen.
 - o It is the recommendation of the CARS committee to use the PDF button for printing.
 - o If you use the desk top computer in the Paramedic Room at NWCH the printer prints out by room C7 and D1. Jim Klein spoke with the IT at NWCH and they said it is not possible to print to the printer in the paramedic room from those desk tops.
- Discussion and Motion "To add the Refusal of Treatment verbiage to the Refusal of Transport" by Denna and Redlin, Swindler abstained.
 - o PBPI advised that they ran the data and on releases 91% of the time the Transportation language was chosen and 27% of the time the Refusal of Treatment was chosen.
- Discussion and Motion "To leave Billing Questions in the Supplemental Questions" by Rill and Tobias.
- Template updates:
 - o You can now tab thru several parts of the template screen
 - o Discussion and Motion "To default IV/IO attempts to 1 and then make read only" by Swidler and Perry.
- Patrick Sennett was brought in on GoToMeeting:
 - o Discussion of Timeline Print Out; we still don't want this for our system at this time.
 - o Run History Update:
 - Adding more filters to it
 - Image Trend is trying to see about adding more info that would tell when you went into a report to view / review / or fix; it might be able to says where you went
 - o Report Writer
 - Image Trend stated an update is coming
 - o Auto Log Off is not at Agency Level
 - Discussion on setting this up that after 90 minutes it will log you off
 - After 15 minutes of inactivity a message would be sent that you will be logged off shortly and any keyboard or touch screen activity would make it that it will reset the 90 minute timer.
 - o Discussion on the "Primary Symptoms" suggested list and updating it. Per Patrick we are waiting for the Nemis Committee to update their list.
- Meeting adjourned at 11:25 hrs.
