FAQ: How should ECG rhythm & 12-lead ECG be documented in Image Trend?

- “ECG-monitor” = PM’s interpretation of lead II rhythm strip
- “12-Lead ECG” = documentation of computer interpretation

THANK YOU to the following PM’s who provided the excellent ECG documentation examples above.

AH Christopher Rymut
ATG Mike Timothy
BG Kurk Paleka
HE Matthew Fijalkowski
HE Matthew Kaiser
LG Michael Lafin
SP Matthew Takoy
