**Information labeled FOUO should be safeguarded, and withheld from public release until approved for release by the originating agency.** Dissemination of FOUO is restricted to persons with "need-to-know." Need-to-know is defined as the determination made by an authorized holder of information that a prospective recipient requires access to specific information in order to perform or assist in the lawful and authorized governmental function, i.e., access is required for the performance of official duties.

Typical FOUO requirements include:

1. FOUO information will not be disseminated in any manner - orally, visually, or electronically - to unauthorized personnel.
2. The holder of the information will comply with access and dissemination restrictions.
3. Ensure the recipient of FOUO has valid need-to-know, and that precautions are taken to prevent unauthorized individuals from overhearing the conversation, observing the materials, or otherwise obtaining the information.
