

Date	Pt initials	Pt. age	ALS/ BLS	Nature of call	ECG (list)	Call-in (X)

PERFORMANCE APPRAISAL: Indicate the general level of performance - **Scale:**

- 5 Exceptional Consistently exceeds expectations for a student at this point of the internship
- 4 Superior Meets all and exceeds some expectations for a student at this point of the internship
- 3 Proficient Meets expected performance for a student at this point in the internship
- 2 Marginal Inconsistently meets expectations for a student at this point - action plan in place
- 1 Deficient Does not meet performance expectations for a student at this point – action plan in place

Team Leadership skills	Rating
Takes charge; demonstrates confidence, compassion, maturity and command presence	
Requests additional resources in a timely manner if needed	
Receives, processes, verifies and prioritizes information	
Interprets patient data to form an accurate paramedic impression	
Creates an appropriate action plan; implements the appropriate SOP based on the PARAMEDIC impression	
Correctly prioritizes pt needs and assigns team member duties in the appropriate location	
Communicates accurately and concisely while listening and encouraging feedback	
Reconciles incongruent information	
Makes appropriate pt disposition decisions in a timely fashion; including selection of appropriate receiving hospital	
Transmits information to the hospital in a concise OLMC report	
Continuously monitors situation, resources, and patient condition until appropriate pt disposition and modifies accordingly	
Facilitates patient handover to ED staff giving appropriate follow-up reports	
Ensures that ambulance is appropriately restocked	
Ensures that appropriate patient use of supplies forms are completed (for billing purposes)	
Conducts a post-run CQI review with team members	
Maintains accountability for team's actions/outcomes	

Comments: _____

AFFECTIVE OBJECTIVES	Rating
INTEGRITY: Consistently honest; maintains patient confidentiality.	
EMPATHY: Shows compassion for others; responds appropriately to patients and bystanders.	
SELF-MOTIVATION: Self-disciplined, resourceful, takes on and follows through on tasks without constant supervision; consistently strives for excellence in all activities.	
APPEARANCE AND PERSONAL HYGIENE: Well groomed; wears appropriate clothing.	
SELF-CONFIDENCE: Is aware of own strengths and limitations; projects confidence to patients	
COMMUNICATIONS: Speaks clearly; maintains appropriate interactions/language at all times; listens actively; adjusts communication methods to meet situational needs.	
TIME MANAGEMENT: Consistently punctual; completes tasks and assignments on time.
