## Performance findings and action plan

There are areas of your practice/performance in which improvement/change is required to fully meet program objectives. It is our intent to make you aware of the situation, provide specific feedback, and work with you to create an action plan designed to align your practice with program expectations. Please see the specific cause(s) for concern and action strategies below. We will re-evaluate as specified to assess your progress and determine further actions.

Performance inconsistent with standards	Performance expectations/ time benchmarks Strategies for Improvement/Goals

Time plan for follow-up meeting(s):

## Consequences of persistent poor performance

Improvement must occur immediately and be maintained. If any portion of this improvement plan is not met at any time during the specified timeframe, further action may be taken including possible dismissal from the program.

Student explanation for performance gaps:
