

Northwest Association of Provider EMS Coordinators

MINUTES
May 22, 2025

Agenda Item	Discussion
Call to Order Previous Minutes	Call to order at 903 Introduction New Members – Minutes approved – Pete second By Lisa Thanks give to Pete for His leadership as the Former Chair of Coordinators Committee
	<u>CARS</u> • The reconfigured BHE / Decisional Worksheet video should be distributed and use for Target Solutions or whatever the agency uses for training. It is a YouTube link highlighting the changes to the form. • Many might not need it but it is there should someone have questions. • Most of the meeting was CONNECT conference which went well. • Look for changes to the RASS scoring within the Vitals Power tool. There will also be a video highlighting those changes <u>Advisory Board</u> • Approved updated policy to mirror EMS Act. • Updating Policy manual to be coming <u>Research and Development</u> • One Dose- Went live on May 1st Good feedback so far please let Scott know if you have any ideas. New updates • Ultrasound – Ten devices looked at. More to come with trails • MicroDot Pro – Error Codes E3 sample size to small. Have a meeting tomorrow about that. This takes more blood than the old. • If it affects pt care, please follow M8 Policy. • EMS world expo sending 1 person • Trauma Gel – Looking into it. • Lactate Pro monitor Tabled • Z slider – Pt moving device can use • Cric kits – Looking into them as an optional item <u>Education</u> • Focus on when the system is on provu • Iv Success rate Multi step process to improve rate – IV rodeo coming please send your Peer educators and super users Hopeful for July • System Entry Labs Haven't seen improvement in members being prepared • Must have skill sheets that are signed off to entry lab • Discussion of if there was any other changes to system entry and there is none. • 16 interns ECRN please be patient with them. <u>Cardiac Arrest</u> • Tool for benchmarks and continuing how we address them in the future. <u>PBPI</u> • In the Process to have agency do more work and more participation • DAI numbers are going to be looked into
