

# **June 2011 R&D Agenda**

## **10:48 Call to Order**

### **Vendors:**

None scheduled

Hand E Hold device not available for review, tabled till next mtg

New NWC policy on vendors. Memo to be reviewed and determined if applicable to R&D committee.

### **Old/New Business:**

Flosafe C-Pap status update- Suggested November rollout (with Airway CE) since this is a mandatory attendance. Possibly utilize Peer Educators to assist.

Hypothermia therapy training update-Training in process of scheduled with trial providers

D&S list- Discussion on making all ambulance equipment optional on Med Engines. Consensus to leave Drug & Supply list as it stands. If provider feels an item is needed, waiver can be submitted. Documentation should be submitted to support requirement of item.

Next meeting scheduled for September 7, 2011

**Adjournment @ 11:38**
