RE: **Welcome to Advance Ambulance**

---

It is with great pleasure that we announce the addition of Advance Ambulance to our EMS System. They began operations with us in late 2006, but we just received official notice from IDPH that their plan has been approved in our System. They have been assigned to Resurrection Medical Center as their hospital liaison. Virginia Logan is their designated System EMS Coordinator.

When transporting to a non-System hospital, they will call RES for on-line medical control.

We look forward to working with Brian Witek, Provider EMS Coordinator Amanda Fichter, and all of the Advance Ambulance EMS personnel.
