RE: **Introducing Mike Gentile - new paramedic program educator**

It is our distinct pleasure to announce the addition of **Mike Gentile, EMT-P** to the Northwest Community Resource Hospital EMS staff as the paramedic class instructor.

Before joining the NWC EMSS team, Mike served 7 and a half years as a paramedic for the Melrose Park Fire Department and was an educator for Loyola EMSS and the Triton College EMT Program.

He is delighted to join the NWC EMSS team and can't wait to start teaching the incoming Paramedic class which starts in September.

Mike enjoys spending the majority of his free time with his family, wife Julie and kids Vince and Grace. They reside in Bloomingdale.

Outside of EMS, Mike is a passionate fan of performance arts and music and is even a local musician for the rock group Majungas. He serves as their chief songwriter and vocalist while alternating between electric bass and rhythm guitar.

For those of you that are affiliated with the paramedic program as guest faculty, lab, and/or field preceptor, you can expect to hear from him shortly as he has begun planning in earnest for the incoming class.

Mike can be reached at: 847-618-4490 or mgentile@nch.org .

We are SO glad to have him join our team and look forward to great things this fall!
