Northwest Community EMS System
Education Committee Meeting
March 4, 2025

Call to Order Previous Minutes Review of Agenda - None Education Activities Reports - EMT Class (Chris) –55 students left in class with 2 joining class from a prior class. - Parametic Class (MikeBill) - Starting field internship. - CE Reports – (Kourtney) - Feedback from January and February positive - System Entry testing and Peer Educator credentialing (Kourney)- Going well. Had an influx of peer educators just prior to field preceptor class. - EGR Class (MiceBill) - Starting field internship. - CE Reports – (Kourtney) - Will start in April. Will be system taught course with nurse educators just prior to field preceptor class. - EGR Class (Kourtney) - Will start in April. Will be system taught course with nurse educators assisting with teaching. Hope to have policy and procedures completed prior the start of class. - Peer Educator Project Group (Kourtney)- mini projects in the work. Arlington is offering a 12 lead STEMI course on 14 March. - Advisory Board (Ginny/John) - no updates - Cardiac Arrest Committee (Zach Lane) - reviewing cardiac arrest power tool. Hoping to move to emphasis on MAP rather than SBP for meds and procedures to treat patients. - Chief's meeting - no report - PBPI (Nicole) – Year end data completed. Sending out the PBPI screens to agencies for more involvement in review process - CARS (Tina) – integration of data from Lifepak 35 coming. Plan for One dose training in April with CE. Looking at multiple tools: Vitals, RASS versus worksheet, linking decisional capacity tool only to behavioral health. 30 Apr to 2 May is Image Trend conference. Final project: adding primary impression to refusals. - R & D (Jeanine Liska) – meeting tomorrow - C-2 policy stabled until start of new CE year. - Charter: minimal changes. Karin will make changes and send out to committee for approval. - System News - New lab and clinical coordinator Brittany starting 17 March. - LGH rescinded their OLINC for non-system EMS crews. Crews will need to call closest system hospital with report and sy	March 4, 2025
