

Northwest Community EMS System EMS Coordinator/Educator Meeting

Date: April 27, 2018
Time: 9:30-12:30
Place: Kirchoff Center Conference Room

A G E N D A

Topics	Key Takeaways	Notes
In-station education Feedback on April (Jen) Orientation to May (Susan)		
PBPI Committee	Cardiac arrest focus group report: Dr. Jordan	
CARS Committee	Will be working on MIH data points to add with Patrick Sennett	
Education Committee:	No meeting in April. PM class: All should be transitioned to phase 2; testing continues for F18 class; Pooled Preceptor requests were sent out with encouraging results; seminar schedule published this week; memo re: NREMT testing for legacy medics now coming soon. Time to start tallying CE hours and affirming licenses, CPR cards etc. Will be sending annual worksheet soon for those who like to use it. Will also create an intent to suspend letter and forward at the same time.	
ECRN	First two days (Precourse) cancelled due to low enrollment; good class discussions so far; seem to need some remediation re rhythm identification. Will give a sample test next week and let EMSCs know results.	
R&D	May meeting: Will vote on glucose meter; updated vascular access procedure	
Mobile Integrated Healthcare	Pilot plan approved by IDPH. Meeting with Chiefs/Village Managers of pilot agencies on May 8 th to continue planning in earnest for July 15 th go live. Curriculum and protocols being finished now.	
Region IX	New SOPs continue to be drafted – input requested!	
State news	See State EMS Education Committee meeting agenda for full listing Drew Hanson (AHFD) won educator of the year award for work done in teaching the System King Vision. Congratulations!	
National news	EMS Week - May 20-26, 2018.
