Re: Comprehensive Stroke Certification

From: Len Wilk, President/CEO Ascension Resurrection Medical Center  
Dr. David Bordo, Market Chief Medical Officer  
Kathleen Hartman, Vice President of Nursing

Ascension Resurrection Medical Center (RMC) is pleased to announce the redesignation of Comprehensive Stroke Certification granted by Det Norske Veritas (DNV) and approved by the Illinois Department of Public Health (IDPH).

Effective August 5, 2024, RMC will be accepting all patients presenting with stroke-like symptoms. This letter serves as an attestation that Ascension Resurrection Medical Center meets all the requirements for Comprehensive Stroke center Designation as described in the act.

The administration and stroke team are fully committed to providing care to these patients. We look forward to continuing our partnership.

Please see your EMS Coordinators with any questions.

Respectfully,

**Len Wilk, FACHE**  
President / CEO
