

System Memo: # 419

Date: July 5, 2023

To: All System members

From: Matthew T. Jordan, MD, FACEP
 EMS System Medical Director

Connie J. Mattera, MS, RN, PM
 EMS Administrative Director

RE: Ascension Resurrection changes to Primary Stroke Center Effective 7-1-23

Ascension Resurrection has announced that they are transitioning from a Comprehensive to a Primary Stroke Center effective 7-1-23.

- They will no longer be providing neuroendovascular coverage on nights, weekends, or holidays.
- They **will** continue to perform thrombectomies during normal business hours on weekdays.
- They will transfer patients to Comprehensive Stroke Centers if thrombectomy is needed on nights, weekends, or holidays.

The NWC EMSS SOPs have been updated on page 39 (Resurrection removed as a possible CSC)

Destination options if primary impression is stroke:		
<input type="checkbox"/> Nearest hospital:	Patient unstable	
<input type="checkbox"/> Nearest SC (Primary or Comp.)	BEFAST +/- LVO not suspected OR LKN > 24 hours Transport time to CSC > 30 min	
<input type="checkbox"/> Nearest Comprehensive SC	LVO cortical signs SAH/ICH suspected + LKN ≤ 24 hours + Transport time ≤ 30 min
